Internship Opportunity: Programmer Intern

Location: TSLS, Garden City

Organization: Tertiary Scholarships and Loans Service (TSLS)

Application Deadline: 28th August 2024

About Us: The Tertiary Scholarships and Loans Service (TSLS) is a government entity responsible for managing scholarship and loan schemes for tertiary education in Fiji. We are committed to fostering educational development and providing our students with the tools and resources they need to succeed.

We are looking for a talented and motivated **Programmer Intern** to join our dynamic ICT team. This internship offers a unique opportunity to gain hands-on experience in a real-world environment, working on projects that directly impact the education sector in Fiji.

Responsibilities:

- Collaborate with the development team to build and maintain web applications using the Razor framework in ASP.NET Core.
- Implement front-end interfaces with HTML, CSS, JavaScript, and modern libraries like Tabulator, Choices.js, and Tom Select.
- Assist in designing and managing databases using Microsoft SQL Server (MS SQL).
- Participate in coding, testing, and debugging applications.
- Work on dynamic table generation and data export functionalities using libraries such as Tabulator.
- Support the team in maintaining and improving existing systems.

Requirements:

- Currently pursuing or recently completed a degree in Computer Science, Information Technology, or a related field.
- Strong knowledge of ASP.NET Core with Razor syntax for developing dynamic web applications.
- Proficiency in front-end technologies including HTML, CSS, and JavaScript.
- Familiarity with JavaScript libraries like Tabulator, Choices.js, and Tom Select.
- Experience with Microsoft SQL Server (MS SQL) for database management and querying.
- Understanding of AJAX and RESTful APIs.
- Basic knowledge of version control systems (e.g., Git) is a plus.
- Strong problem-solving skills and attention to detail.
- Ability to work both independently and as part of a team.

What We Offer:

- Hands-on experience in a professional environment.
- Mentorship from experienced professionals in the field.
- An opportunity to work on meaningful projects that have a real impact.
- A chance to enhance your skills and build a strong portfolio.
