### **Why did you choose Massey University?**

Massey University provides the most variety of courses in information science. Massey University is in one percent of the top universities in the world and the top 250 universities around the globe. The university's location is excellent as I am in Auckland there are two more campuses one in Palmerston North and one in Wellington.

### **What has your experience at Massey been like?**

Massey University has the best teaching services, friendly lecturers, and supportive student support staff who are eager to help. Massey has a gym, a nearby stadium, and an easy mode of transportation for all as the bus services are in the university, and there is a hospital inside the university that is free for international students and a support team for Pacific students.

### **What advice would you give to future students?**

Massey is a very good university, it has supportive support if you have any doubts do contact and you might get a response at the earliest, Massey has distance and campus learning, has accommodation which is just one minute away from the university, Massey provides a wide range of programme do contact the person assign to you about more programmes, there are also support staff that provides counselling for students if you have any problem to can see them. Massey also does the visa work for a scholarship student, so you don't have to pay for the visa

### **Final Thoughts:**

If you plan to study at Massey University, you will be in good hands.
